

Selling Property

The Bridgepoint Investment Group Team is dedicated to helping you sell your property at the highest value, in the shortest amount of time, and with the least hassles. Our licensed brokers and agents can assist you with all aspects of your property sale.

Your listing will receive the broadest exposure on LoopNET, CoStar, the MLS, the CCIM Network, CTCAR, our exclusive websites, and other marketing avenues. With a CCIM (Certified Commercial Investment Member) on staff and the experience of hundreds of transactions, get the representation you deserve for the sale of your property.

BIG is networked to tens of thousands of commercial real estate professionals to find the best property for your needs or to give maximum exposure to sell your property. Let us market your property for sale, be it a duplex, apartment complex, office building, industrial, or retail building. We have dedicated staff who will work on your behalf and keep you updated on a regular basis.
